Dear Nancy,

Thank you so much for checking on my membership. My notification came through a few days after your letter. My married name was spelled incorrectly. I sent a letter to the membership secretary and I am sure that it was corrected.

I am enclosing my 6th and 7th generations. I hope my information is clear. If I can help in any way, let me know.

Thanks again.

Sincerely,

Genevieve Henry

Dear Beverly,

'can't blame the hot weather because we had very little and the temperature has already reached 45 some evenings so guess I need to just chalk being behind to "old age"... anyway, thanks a million for the data for the 6th and 7th generation project. What makes yours especially exciting is that it wasn't carried forward when volume 2 of the Mayflower Families Five Generations was done (children of Nathaniel⁴ and wives Elizabeth Crosby and Silence Dimmock (#29 p. 177-178)

I have made the decision to carry some families into the 8th generation for reasons as varied as...well varieties of apples for want of a better reason. Anyway, want to carry what you sent into the 8th because of the Bible and Norwich, Vermont town records which you included. Let me run by you what I have and let me know if I have read it correctly.
