THOMAS ROGERS SOCIETY 6TH GENERATION PROJECT.... 1990 - 1993

MAYFLOWER FAMILIES volume 2 published by the Society of Mayflower Descendants names the descendants of Thomas Rogers through the 5th generation and their children (or some of them) of the 6th generation.

The Thomas Rogers Society has authorized a project to continue this research - to identify all the children of the 6th generation and record their birth, marriage and death but to also name their issue. Thus extending the lineage to the 7th generation and in many instances past the time of the American Revolution and into the 19th century.
